Subject: Rescinding Violation – TCR MONITORING

Dear Mr. Kitko,

On February 21, 2011, we sent you a letter for failure to comply with the total coliform monitoring requirements for January, 2011. We have since received all the required sample results collected during this monitoring period. Therefore, the monitoring violation has been rescinded.

The missing sample, collected January 27, 2011, was not reported until November 5, 2012. Please remember to check your eDWR account regularly to verify that your laboratory has properly and timely submitted all required sample results on your behalf.

If you have any questions, please contact me at 937-285-6085.

Sincerely,

Tya Darden
