Subject: Rescinding Violation – TCR

Your public water system was issued a notice of violation of Rule 3745-81-21 of the Ohio Administrative Code (OAC) on October 30, 2012 for the monitoring period of 3Q2012. The sample was collected on July 30, 2012 and was originally submitted on August 1, 2012 but did not load, due to a data error on the submission. The total coliform sample was corrected, re-submitted and accepted on October 31, 2012.

The violation has been rescinded and the public notice sent with the notice of violation referenced above does not need to be issued at this time.

Please ensure future sample results are submitted as required. If you have any questions, please contact this office at (419) 373-3007.

Sincerely,

Clayton McKee
Division of Drinking and Ground Waters
