Manager of Business Operations  
Troy Manufacturing

Burton, OH 44021

Dear Mr. Cseplo:

Thank you for your October 19, 2012 response to Ohio EPA's August 21, 2012 notice of violation letter. The documentation submitted included a description of your training program, training sign-in sheets, job titles and descriptions as they relate to hazardous waste management, and a commitment to maintain the required documentation.

My review of this documentation reveals that Troy Manufacturing has abated all violations discovered during our July 26, 2012 hazardous waste inspection.

If you have any questions concerning this letter, please contact me by telephone at (330) 963-1226 or by e-mail via [sherry.slone@epa.ohio.gov](mailto:sherry.slone@epa.ohio.gov).

Sincerely,

A handwritten signature in black ink that reads 'Sheryl K. Slone'. The signature is written in a cursive, flowing style.

Sheryl K. Slone, P.E.  
District Engineer  
Division of Materials and Waste Management
