RE: NOV FOR VIOLATION OF OAC RULE 3745-19-04 AT FOREST CREEK  
MOBILE HOME PARK

Dear Ms. Wright:

On March 19, complaints were received of open burning in violation of Ohio Administrative Code (OAC) § 3745-19-04. An investigator from Hamilton County Department of Environmental Services responded and documented a violation of the Ohio open burning standards. Landscape wastes were being burned less than 1000 feet from neighboring homes. You are advised to suspend all open burning in violation of OAC 3745-19-04.

HCDOES finds that you are in violation of OAC § 3745-19-04. **HCDOES requests that you submit a compliance plan, with your commitment to suspend all open burning in violation of the Ohio open burning standards. This plan should be received not later than seven days following receipt of this correspondence.**

Be advised that failure to comply with the requirements of this letter may result in additional enforcement action, including possible referral of this case to the Office of the Ohio Attorney General. Acceptance by the Ohio EPA of a compliance plan does not constitute a waiver of the EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code.

The determination to pursue or to decline to pursue such penalties in this case will be made by the Ohio EPA at a later date. The violations identified above also constitute a violation of Clermont County General Health District rules. Clermont County General Health District rules are enforced by the Hamilton County Department of Environmental Services.

Sincerely,

Michael Fair  
Environmental Compliance Specialist
