Re: Belmont County
Open Burning
Complaint 30002486

Mr. Tim Eddy
55760 Poplar Dr.
Bellaire, Ohio 43906

Dear Mr. Eddy:

I am writing this letter in response to a complaint received by this office August 9, 2012. The complaint alleges that you are burning trees at your home.

On August 30, 2012, I investigated this complaint. Evidence of the open burning of wood from trees that had been cleared from the property was observed. I attempted to speak to you, but you were not home at the time of my investigation. I left my business card and a pamphlet that explains Ohio's open burning rules, at your residence.

To open burn residential waste such as paper, leaves, tree trimmings, cardboard, etc., the property must be located in an unrestricted area (as your property is) and the burn site must be at least 1,000 feet from any inhabited building not on your property. Because there is not a burn site location on your property that is at least 1,000 feet from any inhabited building not on your property, you cannot open burn residential waste at this location.

You are permitted to have a cookout or campfire using clean, seasoned firewood if the fire is not more than two feet in height and not more than three feet in diameter. The fire must be put out when the cookout/campfire is over and cannot be left unattended.

Open burning of improper waste materials at this location is in violation of Ohio Administrative Code (OAC) rule 3745-19-04 and is punishable by a fine. All open burning in violation of the requirements specified in OAC rule 3745-19-04 must stop immediately. If you continue to open burn improper waste materials at this location or any other location in Ohio, legal action may be taken against you.

Please contact me at 740-380-5217 or 1-800-686-7330 so that we can discuss this complaint.

Sincerely,
