Dear Ms. Lawson:

Thank you for your June 15, 2012 response to Ohio EPA's May 29, 2012 Notice of Violation letter. You submitted documentation of training and electronic tools available to your staff for management of containers in the staging area. My review of this documentation reveals that RIS has adequately demonstrated abatement of the following Rule and Permit Condition discovered during our May 8 and 9, 2012 inspections.

1. OAC Rule 3745-66-73 Management of Containers  
Permit Condition C.5(a)

If you should have any questions, please feel free to call me at (330) 963-1246.

Sincerely,

John Paquelet  
District Representative  
Division of Materials and Waste Management
