Termination of Director's Final Findings and Orders

Dear Mr. O'Reilly:

I am writing to notify you that the Ohio EPA Division of Drinking and Ground Waters (DDAGW) is terminating the Director's Final Findings and Orders (DFFOs) issued to you on January 7, 2011. DDAGW has verified that all outstanding obligations under the DFFOs have been performed.

Therefore, as of the date of this letter, the DFFOs issued to Northview Utility Association on January 7, 2011 is terminated. This termination in no way relieves Northview Utility Association's public water system of responsibility for future compliance with Ohio's safe drinking water laws.

Should you have any questions regarding Ohio EPA's termination of the DFFOs, please contact Christel Sherron, Ohio EPA Enforcement, at (614) 644-2752.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael G. Baker".

Division of Drinking and Ground Waters
