Subject: Rescinding Violation – TCR

Dear Joretta Frohring:

Your public water system was issued a notice of violation of Rule 3745-81-21 of the Ohio Administrative Code (OAC) on 11/20/2012 for the monitoring period of October 2012. The samples were collected on 10/24/2012 but the results were labeled as repeat instead of routine.

The violation has been rescinded and the public notice sent with the notice of violation referenced above does not need to be issued at this time.

Please ensure future sample results are submitted as required. If you have any questions, please contact this office at 330-963-1182.

Sincerely,

Laurel Ljubi
Environmental Specialist
Division of Drinking and Ground Waters
