Hazardous Waste  
**Return to Compliance**

September 9, 2009

Mr. Henry Hoskins, Owner  
WeldTec Inc.  
1880 Celina Road  
St. Marys, Ohio 45885

Dear Mr. Hoskins:

Thank you for your August 25 and September 4, 2009, responses to Ohio EPA's August 27, 2009, Notice of Violation letter. You submitted documentation including photographs of a properly labeled drum of used oil and photographs of properly labeled and dated containers of universal waste lamps.

My review of the documentation reveals that on August 25, 2009, WeldTec (WT) had adequately demonstrated abatement of its violation of **OAC Rule 3745-279-22(C)(1), Used Oil Container, Labeling**. On September 4, 2009, WT had adequately demonstrated abatement of its violations of **OAC Rule 3745-273-14(E), Universal Waste Labeling – Lamps** and **OAC Rule 3745-273-15(C), Accumulation Time for Universal Waste Lamps**. Therefore, WT has abated all the violations discovered during my August 19, 2009, inspection.

If you have any questions, please feel free to contact me at (419) 373-3074.

Sincerely,

Don North  
District Representative  
Division of Hazardous Waste Management  
/csl
