Dear Mr. Mast:

Thank you for your November 2, 2012, response to Ohio EPA's November 2, 2012, Notice of Violation (NOV) letter. You submitted documentation including your new universal waste lamps training memo and management procedures.

My review of this documentation reveals that Celina Intermediate School has adequately demonstrated abatement of its violation of OAC Rule 3745-52-11 on November 2, 2012.

The violation was discovered during my October 25, 2012, inspection.

If you have any questions, please feel free to call me at 419-373-3074.

Sincerely,

Don North
District Representative
Division of Materials and Waste Management
