CERTIFIED MAIL

Mr. Mike Abdo, CEO
Abdo Wrecking, LLC
125 East Baker Street
Green Springs, Ohio 44836

Dear Mr. Abdo:

This letter shall serve as follow-up to The Ohio Environmental Protection Agency (Ohio EPA), Northwest District Office (NWDO), Division of Air Pollution Control's November 05, November 06, and November 13, 2012, inspections of demolition at the property located at 113 Jefferson Street, Fremont, Ohio 43420. Our investigation found demolition had commenced at the site without proper notification, and clear directives from the Ohio EPA to stop work were ignored as stated in our November 16, 2012, Notice of Violation (NOV) letter to you. At this time a notification of demolition still has not been submitted for this activity.

Ohio EPA's rules regarding demolition and asbestos are contained in Ohio Administrative Code (OAC) rule 3745-20. Specifically, OAC rule 3745-20-03(A) requires each owner or operator to provide a written notification of intention to demolish or renovate at least ten working days before the beginning of any demolition operation, asbestos stripping or removal work.

This notice of violation is being issued for the following:

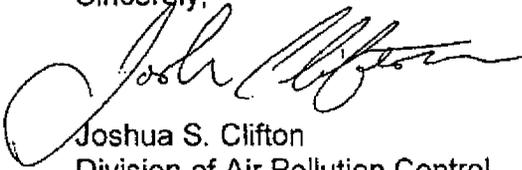

1. Violation of OAC rule 3745-20-03(A) "Standard for notification prior to demolition or renovation," for failure to notify the Ohio EPA, NWDO, 10 working days prior to the start of work.

At this time all work that would disturb the material, and all material removal shall cease until ten days after a notification of demolition is submitted to and accepted by the Ohio EPA, NWDO. Ohio EPA, NWDO is requesting that Abdo Wrecking, LLC respond to this letter as soon as possible and no later than December 21, 2012 with a proper notification and confirmation that the company understands the notification requirements contained in Ohio Administrative Code, 3745-20.

Mr. Mike Abdo, CEO

Please note that the submission of the requested information to respond to this letter does not constitute waiver of the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. Ohio EPA will determine later whether to pursue such penalties in this case. If you have any questions, please feel free to contact me, Josh Clifton at (419) 373-3058 or Mr. Tom Sattler at (419) 373-3116.

Sincerely,

Joshua S. Clifton
Division of Air Pollution Control
