Dear Sir/Madam:

Part III of the Indirect Discharge Permit for the above referenced facility requires the submittal of effluent monitoring reports in June and December of each year. Our records show that we have not received a report(s) for the July through December 2007 and the January through June, 2008 reporting periods. Therefore, you are in violation of your Indirect Discharge Permit and Rule 3745-3-06(E) of the Ohio Administrative Code.

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your Indirect Discharge Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please inform this office, in writing, within ten days of receipt of this notification as to the reasons for the above referenced violations, as well as a description of the actions taken or proposed to prevent further violations. Your response should include the dates, either actual or proposed, for completion of the actions.

If there are any questions, please contact me at (740) 380-5423.

Sincerely,

Fred J. Snell
