Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your Indirect Discharge Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

We have reviewed your report addressing the reasons for the above violations and the actions being taken to prevent further occurrences. Hopefully, these actions will prevent any recurrence so that enforcement action will not be required. No additional information is requested at this time.

If there are any questions, please contact me at (740) 380-5423.

Sincerely,
