Dear Public Water System Owner:

I have received the results of the Haloacetic Acids (HAA5) analysis performed on a sample(s) from CAMPBELL CITY PWS, fulfilling the monitoring requirements for the July 1 to September 30, 2012 time period. Therefore, the monitoring violation issued on 11/21/2012 is rescinded, and CAMPBELL CITY PWS will not be required to issue a public notice as outlined in the notice of violation.

In order to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please contact me at (614) 644-2752.

Sincerely,
