Dear Ms. Roberts:

This letter will confirm removal of the water use advisory required in our letter dated October 11, 2012. This is based on one set of four total coliform negative (safe) samples collected December 5, 2012.

This office has not received a copy of the public notice, which was issued. Send a copy of the public notice along with the verification form to the Ohio EPA, 347 North Dunbridge Road, Bowling Green, Ohio 43402 by December 27, 2012.

You are required to monitor with one (1) routine sample prior to the end of December 2012.

If you have any questions, feel free to give me a call at (419) 373-3108.

Yours truly,
