Subject: Violation for failure to submit the required Operating Report(s) and report monitoring results

A review of our records indicates that the Plant Distribution Monthly Operating Report (5002) for your water supply has not been submitted for the months of August and September of 2010. Failure to submit the required reports constitutes a violation of the Ohio Administrative Code (OAC) Rule 3745-81-31 and Section 6109.12 of the Ohio Revised Code.

This report **must** be submitted to this office by the tenth day of the month following the reporting period. The reports for August and September 2010 must be forwarded to my attention within 30 days.

If you have any questions, please contact me at (740) 380-5436.

Sincerely,

Rex S. Haggy
