Subject: Minor Violation of the Consumer Confidence Report Requirements

Ohio EPA received the LAFAYETTE MEADOWS Consumer Confidence Report (CCR) for 2007. The CCR was reviewed for the required content. Based on our review, the LAFAYETTE MEADOWS water system is in violation of the rules 3745-96-01 through 04 of the Ohio Administrative Code for failure to comply with the CCR requirements. The following violations were noted:

- Some of the data in the Table of Detected Contaminants was not accurate; The reporting year for Nitrate and Total Chlorine Residual was given as 2006. The reporting year for this particular data was 2007.

Be sure to correct the violation(s) as appropriate in your next CCR. The next report for calendar year 2008 must be sent to your customers no later than June 30, 2009. A copy of the CCR along with a Certification Form must be submitted to this office no later than July 1, 2009.

If you have any questions, please contact me at (740) 380-5267.

Sincerely,
