Dear Public Water System Owner:

I have received the results of the Lead and Copper Tap Monitoring analysis performed on a sample(s) from MANCHESTER ADMINISTRATION BUILDING PWS, fulfilling the monitoring requirements for the June 1 through September 30, 2012 time period. Therefore, the monitoring violation issued on 12/12/2012 is rescinded, and MANCHESTER ADMINISTRATION BUILDING PWS will not be required to issue a public notice as outlined in the notice of violation.

In order to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please contact me at (614) 644-2752.

Sincerely,

A handwritten signature in black ink, appearing to read "Kenneth Baughman".
