January 22, 2013

Mr. Tom Lesch
Bronson-Norwalk Conservation League
295 Townline Road 151
Norwalk, Ohio 44857

Dear Mr. Lesch:

On December 20, 2012, the Ohio Environmental Protection Agency (Ohio EPA), Division of Drinking and Ground Waters (DDAGW), conducted a site visit at your public water system (PWS). A sanitary survey of your PWS was conducted by Ohio EPA on August 25, 2011, and a report letter dated September 30, 2011, which included requirements for your PWS, was sent thereafter. During the site visit in December, observations made by Ohio EPA and documentation provided by Mr. Dave Lirenze demonstrated that all of the survey requirements listed in the September 30, 2011, have been addressed.

Thank you for your attention to these issues.

If you have any questions regarding this letter, or any other matter involving your water system, please contact me at 419-373-3108 or via email at Janis.Damico@epa.state.oh.us.

Sincerely,

A handwritten signature in cursive script that reads "Janis D'Amico".
