Subject: Rescinding Violation – TCR and GWR

Dear Public Water System Operator:

Your public water system was issued a notice of violation of Rule 3745-81-21 of the Ohio Administrative Code (OAC) on January 8, 2013, for the December 2012 monitoring period. The required repeat samples were collected on December 27, 2012, but the results were not reported until January 14, 2013. Please note the violations noted above have been rescinded.

OAC 3745-89-08 requires the laboratory to report all positive, all repeat sample results and all samples required by OAC 3745-81-42 (Ground Water Rule) no later than the end of the next business day after the result was obtained. The samples were not reported in accordance with the above rules and this is considered a reporting violation.

Please ensure future sample results are submitted as required. If you have any questions, please contact this office at (937) 285-6116.

If you have any questions, please contact me at (937) 285-6446.

Sincerely,

Kathy Lee Fox
