Dear Mr. Ross:

On January 22, 2013, I received your response to my January 10, 2013, Notice of Violation letter. The documentation that you submitted included a copy of the photograph of the labeled used oil tank.

My review of this documentation reveals that Hunter's Chrysler has adequately demonstrated abatement of the violation discovered during the January 7, 2013 compliance inspection.

1. **Used oil storage requirements for generators, OAC rule 375-279-22(C)(1)**

If you have any questions regarding this letter, please call me at 740-380-5256.

Sincerely,

Melody Stewart
