Please submit within **10** days upon receipt of this letter as to the reasons for the above permit violations and actions being taken to prevent further occurrences. In addition to a response to the above violations, please provide an update on the status of cleaning the one filter bed and repairing the block wall. Past inspections have shown the filter beds to be in very poor condition with heavy sludge deposits and a substantial leak near the far corner of the southern bed. Cleaning of the filter beds and repair of this wall shall be done immediately.

If there are any questions, please contact me at (740) 380-5416.

Sincerely,
