Dear Mayor and Council:

We have received your self-monitoring reports covering the months of August through October 2009 for the referenced facility. Our review indicates violations of the conditions of your NPDES permit. The specific instances of noncompliance are as follows:

Outfall	Date	Parameter	Reported	Units	Permit Limitation
September 2009:					
001	Week 3	Fecal Coliform	"AK"	#/100ml	2000

We have reviewed your reports addressing the reasons for the above violations and the actions being taken to prevent further occurrences. No additional information is required at this time.

Please be advised that failure to comply with the effluent limitations and/or monitoring requirements specified in your NPDES permit may be cause for enforcement action pursuant to Ohio Revised Code, Chapter 6111. If these violations continue to occur and if satisfactory progress is not made, it may be necessary to initiate enforcement action to achieve compliance.

If there are any questions, please contact me at (740) 380-5206.
