Please inform this office in writing within **thirty** days of receipt of this notification as to the reasons for the aforementioned violations, as well as a description of actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed for completion of the actions.

Please be advised that failure to comply with the effluent limitations and/or monitoring requirements specified in your NPDES permit may be cause for enforcement action pursuant to Ohio Revised Code, Chapter 6111. If these violations continue to occur and if satisfactory progress is not made, it may be necessary to initiate enforcement action to achieve compliance.

If there are any questions, please contact me at (740) 380-5206.

Sincerely,

Jennifer M. Witte
