RE: COBRA  
Fairfield County  
Nontransient Noncommunity Public Water System  
PWS ID: OH2349712  
Termination of Director's Final Findings and Orders

Dear Colonel Cunningham:

I am writing to notify you that the Ohio EPA Division of Drinking and Ground Waters (DDAGW) is terminating the Director's Final Findings and Orders (F&Os) issued to you on June 8, 2009. DDAGW has verified that all outstanding obligations under the F&Os have been performed.

Therefore, as of the date of this letter, the F&Os issued to COBRA on June 8, 2009 are terminated. This termination in no way relieves COBRA's public water system of responsibility for future compliance with Ohio's safe drinking water laws. Should COBRA continue to comply, the public water system will be eligible for a green, unconditioned license to operate for 2013.

Please contact Laura Webb, Ohio EPA Enforcement, at (614) 644-2752 with any questions regarding Ohio EPA's termination of the F&Os.

Sincerely,

Michael G. Baker, Chief  
Division of Drinking and Ground Waters
