Dear Mr. Kimble:

Ohio EPA received a late Discharge Monitoring Report (DMR) for your facility for outfalls 001, 002, 003 and 004 for the month: **September 2009**. Submission of DMR data is a requirement of your NPDES permit (Part II, Item 4 – Reporting), even if the facility is not operating. This report was due no later than October 20, 2009. The report was received on November 10, 2009.

Be advised that failure to satisfy the reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please submit the above referenced DMR within ten business days of the date on this letter if you have not already done so. If there are any questions, please contact me at (740) 380-5284.

Sincerely,

Ms. Jennifer M. Witte
