Dear Mr. Loibl:

Ohio EPA did not receive a Discharge Monitoring Report (DMR) for your facility for outfalls 001, 002 and 003 for the months: **March and April 2006; August and September 2007; and July and August 2008**. Submission of DMR data is a requirement of your NPDES permit (Part II, Item 4 – Reporting), even if the facility is not operating.

Be advised that failure to satisfy the reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please submit the above referenced DMR within ten business days of the date on this letter if you have not already done so. If there are any questions, please contact me at (740) 380-5284.

Sincerely,

Ms. Jennifer M. Witte
