Re: Washington County
Hervida 4-H Camp, Inc.
Compliance Evaluation Inspection
Correspondence (PWW)

Mr. Bill Hitchcock, Facilities Manager
Hervida 4-H Camp, Inc.
220 Davis Avenue
Marietta, Ohio 45750

Dear Mr. Hitchcock:

On June 25, 2008, a Compliance Evaluation Inspection was conducted at the Hervida 4-H Camp. The purpose of the inspection was to determine the facility's compliance with its National Pollutant Discharge Elimination System (NPDES) Permit. Present for the inspection were Bill Hitchcock representing Hervida and Stephen Wells representing Ohio EPA, Southeast District Office, Division of Surface Water.

There is typically no discharge from this facility. However, Mr. Hitchcock stated the facility had actually had a discharge earlier this year due to the amount of precipitation that has occurred. Hervida needs to perform monitoring as described in the NPDES Permit when there is a discharge.

In conclusion, Hervida 4-H Camp appeared to be in compliance with its NPDES Permit at the time of the inspection, however Hervida needs to take the necessary steps to monitor the discharge when one occurs.

If you have any questions, feel free to contact me at (740) 380-5434.

Sincerely,

Stephen Wells
District Representative
Division of Surface Water
