Dear Mr. Poole:

On November 23, 2010, I conducted a compliance inspection of the Tuppers Plains Chester Water Treatment Plant Wastewater Treatment Facility. You were present for the inspection. The purpose of the inspection was to determine compliance with the terms and conditions of National Pollutant Discharge Elimination System (NPDES) Permit Number 0IZ00063\*FD.

At the time of the inspection, the plant appeared to be in good operating condition. The facility appears to be in compliance with its permit. We are working on the chloride limit problem in the permit and hope to have it resolved shortly.

If you have any questions, please contact me at (740) 380-5266.

Sincerely,

  
Cynthia Yandrich
