Dear Mr. Bishop:

Thank you for the information you submitted to me in response to Ohio EPA's October 27, 2010, Notice of Violation letter. Specifically, you submitted information that you have sent all of the used oil off-site by DISC Environmental and that you will be recycling spent fluorescent lamps and metal halide bulbs in the future through Mr. Lightbulb. The following is a summary of Ottawa Rubbers violations and the status:

1. Waste Evaluation, OAC Rule 3745-52-11:

This violation is considered abated with the information I received on November 12, 2010.

2. Labeling, OAC Rule 3745-279-22(C)(1) :

This violation was previously abated on October 13, 2010.

All violations noted during our October 13, 2010, compliance evaluation inspection have been abated.

Should you have any questions or if I can be of assistance, please contact me at (419) 373-3114.

Sincerely,

Wendy Miller
