Subject: Failure to Issue Lead Consumer Notice

Regina Health Center is in violation of Ohio Administrative Code Rule (OAC) 3745-81-85 for failing to issue lead consumer notice during the June 1 through September 30, 2012 monitoring period and/or failed to submit information to Ohio EPA that such notice was issued.

In order to return to compliance, Regina Health Center must take the following actions:

1. Immediately issue lead consumer notices.
2. Complete and return the lead consumer notice verification form and a copy of a lead consumer notice that was issued to this office at the address listed below or by fax to (614) 644-2909.

Templates to assist in providing consumer notice and a copy of the verification form can be found on our website under Lead and Copper Reports at: <http://epa.ohio.gov/ddagw/reporting.aspx>.

Your prompt attention to this matter is greatly appreciated. Continued noncompliance may lead to enforcement actions. If you have any questions, or if the required notifications were issued, please call me at (614) 644-2752.

Sincerely,
