RE: Teague Brothers Shopping
Geauga County
Nontransient noncommunity public water system
PWS ID: #OH2857512

Dear Ms. Benbow:

I am writing to notify you that the Ohio EPA Division of Drinking and Ground Waters (DDAGW) is terminating the Director's Final Findings and Orders (Orders) issued to you on January 24, 2012. DDAGW has verified that all outstanding obligations under the Orders have been performed.

Therefore, as of the date of this letter, the Orders issued to Teague Brothers Shopping Center, Inc. on January 24, 2012 are terminated. This termination in no way relieves Teague Brothers Shopping Center's public water system of responsibility for future compliance with Ohio's safe drinking water laws, and the system will continue to be closely monitored for compliance with the arsenic maximum contaminant level.

Should you have any questions regarding Ohio EPA's termination of the Orders, please contact Katie Hernandez at (614) 644-2752.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael G. Baker', is written over a horizontal line.

Michael G. Baker, Chief
Division of Drinking and Ground Waters
