New Concord, Ohio 43762

Dear Mr. Knowlton:

To date, we have not received any self-monitoring reports covering the month of May 2009 for the referenced facility. Please be advised that failure to satisfy the monitoring or reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please inform this office, in writing, within ten days of receipt of this notification as to the reasons for the above referenced violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions. **Also**, since your facility has closed and is no longer in operation, you are still required to report as specified in your NPDES permit. Once the Ohio Department of Natural Resources releases the bond on your facility, we will NPR, no permit required, your NPDES permit.

Should you have any questions or concerns, feel free to contact me at (740) 380-5227.

Sincerely,

Scott Foster
