Dear Mr. Brennan:

Thank you for the response to Ohio EPA's December 21, 2012 Notice of Violation (NOV) letter. The response was submitted on February 5, 2013, by Dine Comply Inc. on your behalf. The response included copies of the Core Composites Waste Analysis Plan for treating gel coat and resin onsite and the gel coat/resin waste treatment to non-hazardous characteristics notification/certification.

Based on the submitted documentation, Core Composites has abated all violations discovered during the November 29, 2012 inspection.

Should you have any questions, please feel free to call me at (937) 285-6070.

Sincerely,

Jeff Smith
