Dear Mr. Smith:

Thank you for your October 11, 2011, email response to Ohio EPA's March 10, 2011, Notice of Violation (NOV) letter. You submitted documentation including a description of your universal waste procedures for waste batteries and photographs of the used battery inventory and properly labeled containers.

My review of this documentation reveals that Toledo Truck Services, LLC, has adequately demonstrated abatement of the following violations discovered during my March 3, 2011, inspection: OAC Rule 3745-273-14(A), OAC Rule 3745-273-15(C), OAC Rule 3745-273-13(A)(1) and OAC Rule 3745-273-16.

If you have any questions, please feel free to call me at 419-373-3074.

Sincerely,

Don North
