RE: NOTICE OF VIOLATION

Dear Mr. Neer:

On October 25, 2012, you entered into a compliance agreement (Director's Final Findings and Orders) with the Director of Ohio Environmental Protection Agency. This agreement contains a compliance schedule designed to bring Valley View Mobile Home Park, 110 East Hickory Grove Road, Urbana Township, back into compliance with Ohio water pollution control laws.

Section V, Order number 2, requires you to submit a complete and approvable Permit to Install (PTI) application no later than 60 days from the effective date of the compliance agreement (December 24, 2012). To date, this PTI application has not been received by Ohio EPA Southwest District Office. Further, Section V, Order number 6, requires the payment of \$20,000 to "Treasure State of Ohio" (\$25,000 if a Supplemental Environmental Project was not funded). To date, the penalty check has not been received by our Central Office Legal Department.

Failure to comply with the Director's Final Findings and Orders is in violation of Ohio Revised Code 6111.07, "Prohibitions; prosecution; injunction". Be advised that all violations of compliance schedule items are considered significant. Failure to comply may result in a recommendation for escalated enforcement action, including additional penalties.

In accordance with Section V, order number 2, a complete and approvable PTI application must be submitted to Ohio EPA Southwest District Office immediately. Along with the PTI application, a check payable to "Treasurer State of Ohio", for \$20,000 (\$25,000 if a Supplemental Environmental Project was not funded) must be provided to Ohio EPA Legal Department.
