Dear Mr. Sansavera:

Thank you for your February 20, 2013 (dated February 18, 2013) response to Ohio EPA's February 8, 2013 Notice of Violation letter. The documentation you submitted included a list of changes made by your facility to ensure that its correct hazardous waste ID number is used on all future hazardous waste manifests.

My review of this response concludes that XRI Testing has now abated the violation discovered during the January 15, 2013 inspection as listed below.

Sincerely,

Tom Roth
