NOTICE OF VIOLATION

February 21, 2013

Derek Wilson
DLPN, LLC
5650 Glade Road
London, OH 43140

Dear Mr. Wilson:

This letter confirms my visit to property at 3685 Big Plain Circleville Road, London, on February 20, 2013, wherein I observed that open burning was occurring in violation of Ohio Administrative Code (OAC) 3745-19-04(A). These actions are subject to fines and penalties.

Specifically, agricultural waste was being open burned within 1,000 feet from the nearest inhabited building off the premises. Additionally, there was evidence that tires, plastic drain tile, PVC pipe, and plastic sheeting had been burned. Additionally, there was evidence that landscape waste generated offsite was being burned.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

A handwritten signature in black ink that reads 'David Burroughs'. The signature is fluid and cursive, written over a white background.

David Burroughs
Environmental Specialist
Division of Air Pollution Control
