Dear Public Water System Owner:

I have received the results of the ARSENIC analysis performed on a sample from GRAHAM HIGH SCHOOL, fulfilling the monitoring requirements for the October 1, to December 31, 2012 time period. Therefore, the monitoring violation issued on 2/21/2013 is rescinded, and GRAHAM HIGH SCHOOL will not be required to issue a public notice as outlined in the notice of violation.

In order to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please contact me at (614) 644-2752.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen Pinto".
