Dear Public Water System Owner:

I have received the results of the nitrate analysis performed on a sample from DARBY TAVERN PWS, fulfilling the monitoring requirements for the January 1 to December 31, 2012 time period. Therefore, the monitoring violation issued on 2/7/2013 is rescinded, and DARBY TAVERN PWS will not be required to issue a public notice as outlined in the notice of violation.

In order to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please contact me at (614) 644-2752.

Sincerely,

A handwritten signature in cursive script that reads "Wendy Sheeran".
