February 19, 2013

Mr. Larry Aulger, Plant Manager
Coburn, Inc.
636 Ashland County Road 30A
Haysville, Ohio 44838

Dear Mr. Aulger:

Thank you for submitting the requested information received by Ohio EPA on August 15, 2012. You submitted this information in response to my July 26, 2012, Notice of Violation. You emailed me documentation regarding the proper management of your used fluorescent light bulbs, and analytical results of your filter sampling. According to the results, the parts washer filters could be managed as solid waste.

My review of this documentation reveals that Coburn, Inc. has abated the violations discovered during the July 18, 2012, compliance evaluation inspection as listed below:

Letter Citation #	Rule Citation	Date Discovered	RTC Date
1	OAC Rule 3745-52-11: Waste Evaluation – Spent Fluorescent Light Bulbs and Parts Washer Filters	07/18/2012	08/15/2013
2	OAC Rule 3745-279-22(C): Used Oil Container Labeling	07/18/2012	07/15/2012

Should you have any questions or if I can be of assistance, please contact me at (419)373-3015.

Sincerely,

Edgar V. Pulido
Division of Materials and Waste Management
