Re: Henry County Landfill  
Henry County  
Return to Compliance

Dear Board of Commissioners:

In a letter dated February 26, 2013, Ohio Environmental Protection Agency (Ohio EPA) provided notice of violation occurring at Henry County Landfill (Facility) located at L-622 Township Road 11, Malinta, Ohio. The violation was originally communicated to you during a phone call on February 14, 2013, following an inspection conducted on February 13, 2013. On February 15 and 20, 2013, the owner/operator provided pictures to Ohio EPA of performed work to correct the violation. On February 21, 2012, Ohio EPA performed a follow-up inspection of the Facility to determine compliance with Ohio's solid waste laws and regulations. As a result of the photos and inspection, Ohio EPA determined the owner/operator has abated the following violation:

Citation	Requirement	Action taken
OAC Rule 3745-27-19(F)	Inadequate Daily Cover	Applied soil to cover exposed waste

Nothing in this letter shall be construed to authorize any waiver from the requirements of any applicable state or federal laws or regulations. This letter shall not be interpreted to release the owner or operator, or others, from responsibility under Chapters 3704, 3714, 3734, or 6111 of the Ohio Revised Code or under the Federal Clean Water Act, Resource Conservation and Recovery Act, or Comprehensive Environmental Response, Compensation, and Liability Act for remedying conditions resulting from any release of contaminants to the environment.
