Subject: Violation for failure to submit the required Operating Reports and report monitoring results

A review of our records indicates that the following reports were not submitted for the fourth quarter (October - December) of 2006 as required:

- Total Chlorine Residual Quarterly Operating Report (EPA form 5114)
- Total Organic Carbon (TOC) Monitoring Quarterly Operating Report (EPA form 5115)

These reports are required to be submitted no later than 10 days following the end of the reporting period. Failure to do so constitutes a violation of the Ohio Administrative Code Rule 3745-81-31 and Section 6109.12 of the Ohio Revised Code. To prevent further enforcement actions, all reports must be submitted no later than 30 days from the date of this letter.

If you have any questions, please contact me at (740) 380-5207 or via email to sarah.wallace@epa.state.oh.us.

Sincerely,

Sarah Wallace
