Dear Mr. Anderson;

A review of our records indicates that the total chlorine quarterly report (Form 5114) for your water supply has not been submitted for the third quarter of 2007. This failure to submit a report constitutes a violation of the Ohio Administrative Code (OAC) Rule 3745-81-31 and Section 6109.12 of the Ohio Revised Code.

These forms are to be submitted to this office by the tenth day of the month following the reporting period. The report for the third quarter (July, August and September) must be forwarded to my attention within 30 days.

If you have any questions regarding this letter, please contact me at (740) 380-5421.

Sincerely,

Debra Prim
