**Re: Open Dumping – 1608 US 127 Scott, Ohio
 Return to Compliance**

Dear Ms. Gunckel:

In a letter dated February 29, 2012, Ohio EPA provided notice of violations occurring at the property located at 1608 US 127 in Scott, Paulding County, Ohio. The violation was originally communicated to you during a phone conversation on February 15, 2012. On April 23, 2012, Ohio EPA received documentation from Dean Leisure (resident of the property) in the form of a disposal receipt from Werlor, Inc., that documents removal of solids waste from the property. On March 1, 2013, Ohio EPA performed a follow-up inspection of the property to verify the waste has been removed and to determine compliance with Ohio's solid waste laws and regulations. As a result of the inspection, Ohio EPA determined that you have abated the following violations:

Citation	Requirement	Action taken
OAC Rule 3745-27-05(C) ORC Chapter 3734.03	No person shall conduct, permit, or allow open dumping	Solid waste removed from the property and properly disposed
OAC Rule 3745-27-02(A) ORC Chapter 3734.02(C)	No person shall establish a solid waste facility without obtaining a permit	Solid waste removed from the property and properly disposed
OAC Rule 3745-37-01(A) ORC Chapter 3734.05(A)(1)	No person shall conduct municipal solids waste landfill operations without a license	Solid waste removed from the property and properly disposed

Nothing in this letter shall be construed to authorize any waiver from the requirements of any applicable state or federal laws or regulations.
