Thank you for your March 27, 2013 response to Ohio EPA's March 13, 2013 Notice of Violation letter. The documentation you submitted included a completed weekly container and emergency spill equipment inspection log and photographic documentation demonstrating the proper labeling of hazardous waste containers.

My review of this documentation reveals that Great Lakes Towing Company has now abated all violations discovered during the February 28, 2013 inspection, as listed below.
