Subject: Violation for failure to submit the required Operating Report(s) and report monitoring results

A review of our records indicates that the Plant Distribution Monthly Operation Report (5002) for your water supply has not been submitted for the month of August 2007. Failure to submit the required reports constitutes a violation of the Ohio Administrative Code (OAC) Rule 3745-81-31 and Section 6109.12 of the Ohio Revised Code.

These reports **must** be submitted to this office by the tenth day of the month following the reporting period. The report for the month of August 2007 must be forwarded to my attention within 30 days.

Chapter 6109 of the Ohio Revised Code (ORC) provides for civil penalties of up to \$25,000.00 per day of violation of the drinking water rules noted above. Should the Dawson's MHP fail to correct its violations, Ohio EPA may take action to enforce the requirements of its drinking water rules. A civil penalty could be assessed as part of this enforcement action.

If you have any questions, please contact me at (740) 380-5275.

Sincerely,

Randy R. Smith
Environmental Specialist
Division of Drinking and Ground Waters
