**Subject: Violation for failure to submit the required Operating Report(s) and report monitoring results**

A review of our records indicates that the Plant Distribution Monthly Operation Report (5002) for your water supply has not been submitted for the month of September 2009. In addition, the Total Chlorine Residual Quarterly Operating Report for the second quarter (Jul-Sep) of 2009 has not been submitted. Failure to submit the required reports constitutes a violation of the Ohio Administrative Code (OAC) Rule 3745-81-31 and Section 6109.12 of the Ohio Revised Code.

Reports must be submitted to this office by the tenth day of the month following the reporting period. Please submit these reports to my attention within 30 days.

If you have any questions, please contact me at (740) 380-5274.

Sincerely,
