Re: Notice of Violation
2012 Compost Facility Annual Report
Reg. No. 11-C4R-0985

Jamie Shaffner:

This letter serves as a notice that Green Valley Organic Research Farm failed to submit a 2012 Compost Facility Annual Report for its composting facility located at 3297 River Rd. The annual report form was required to be completed and mailed to Ohio EPA no later than February 1, 2013. Green Valley Organic Research Farm has not submitted its 2012 annual report; therefore the owner/operator is in violation of Paragraph (C) of Rule 3745-560-415 of the Ohio Administrative Code (OAC). Additionally, OAC Rule 3745-560-03 states that Class IV composting facilities are required to submit a plan view drawing that meets the requirements of OAC Rule 3745-560-400 no later than February 1, 2013. You have failed to submit this plan view drawing; therefore you are in violation of OAC Rule 3745-560-03.

In order to redress these violations, the owner/operator will need to send Ohio EPA the completed annual report form and plan view drawing upon receipt of this notice of violation. If the facility is no longer active, please indicate so on the annual report form. Please complete the enclosed annual report form and mail to:

Ohio EPA-DMWM
Attn: RADM
