5198 MAIN ST
NEW PHILADELPHIA, OH 44663**Subject: Violation for failure to submit the required Operating Report and report monitoring results**

A review of our records indicates that the Total Chlorine Residual Quarterly Operating Report (EPA form 5114) for the second quarter (April-June) of 2007 was not submitted as required. Failure to submit this report constitutes a violation of the Ohio Administrative Code Rule 3745-81-31 and Section 6109.12 of the Ohio Revised Code.

I have attached a copy of the EPA form 5114 form for your review. The required Total Chlorine Residual Quarterly Operating Report for the second quarter of 2007 must be submitted to this office within 30 days from the date of this letter.

If you have any questions, please contact me at (740) 380-5275.

Sincerely,

Randy R. Smith
Environmental Specialist
Division of Drinking and Ground Waters
